Fundraising

A reminder for our FundScrip fundraiser: you can have your orders shipped directly to any Canadian address for the cost of a stamp!

Try FundScrip - you only spend money on things you really want and need, and still raise money for H&S and your kids' activities! WIN-WIN!

<http://www.fundscrip.com/Sign-Up.aspx?IID=RNRNDU>

Now you can place orders whenever you want, and have them shipped to any Canadian address for the price of a regular stamp (only 73¢ including applicable taxes). This is a great option that will allow you to order the gift cards you want and have them delivered directly to you. When you place your next order, just look for the 'shipping' field (in the order summary on the right) and the Direct Shipping Lettermail™ option will be available to you.

Otherwise, you can pick up your orders from Jutta Hofmann.
