FundScrip

powered by Fundstream Inc.

If you ever buy groceries, gas, eat at restaurants, give gifts, or go to the movies – then FundScrip is an ideal program for you to use. FundScrip sells gift cards, and for each card we purchase, we earn a percentage ranging from 1-10% of the face value of the card. Home & School is offering a 10/90% earnings split, where 90% of your earnings will be available for your child's school activities (robotics, trips, camp, prom, sports, etc.) Or, you can choose to donate 100% of your earnings to Home & School. Orders are placed Monday mornings and delivered Thursday. You can join our Mac Home & School group by following this link:

The FundScrip website www.fundscrip.com does a great job of explaining the program, and the way it works.
